CIRCUS BALLOONS

Shoot the Balloons as they rise from the Circus. You have 90 seconds to get as many Balloons as you can. Balloons come faster and more frequent as the game continues. Multiple Levels coming soon.

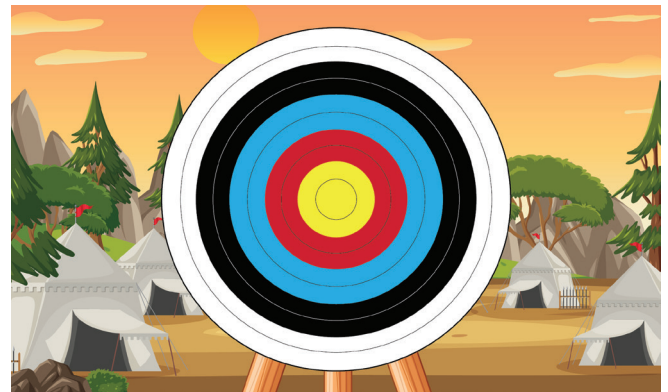

It's a Rat infestation in the barn! Shoot the pesky rats as they pop up in various places in the barn. Whack them in 90 seconds before the barn is infested! Multiple Levels coming soon.

The Zombie Hunt is on! Shoot zombies in 90 seconds before they start multiplying and are out of control. But don't shoot the Warrior Princess! You will lose points! Multiple Levels coming soon.

Welcome to the Shire! Show off your Archery and Axe skills and compete with your friends. Shoot each ring of the bullseye to gain more points. 90 second game play. Multiple Levels coming soon.

Enjoy the Fruit the Caribbean has to offer. Shoot the coconuts before they hit the ground. Shoot Bananas & Pineapples, but wait until they are ripe or you lose points. 90 second game play. Multiple Levels coming soon.
