Custom Backdrops Available!

"We decided that the Hoverball® would be a wonderful way to introduce people, but especially youths, to archery. At one of the street festivals, we had kids shooting for quite awhile, and most all left with smiles on their face. They usually can not walk by it without wanting to know what it was and if they can try it."

- Mark P. Frazier, Chairman
The REAL Tree Archers, Virginia chapter of
Christian Bowhunters of America
