SCORERITE™ — Make It Count!

SCORERITE™ SET-UP GUIDE

1

ScoreRite™ Includes: Server, Tablet, Power Supply, Charger, and all Cables.
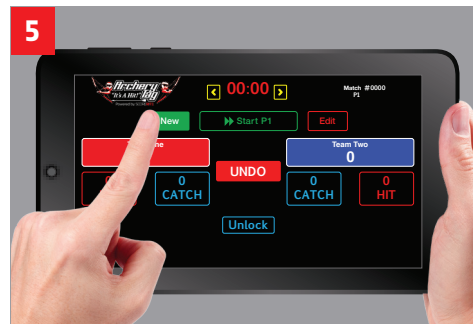

2

Plug the Server into your TV HDMI port. It can also be mounted on back of TV with velcro. Turn TV on with volume up.

3

Turn ScoreRite™ Tablet on by pressing power button for several seconds. Then tap the **SR** icon on the screen.

4

Tablet automatically connects with Server using it's own wifi. **DO NOT USE AN OUTSIDE WIFI SERVICE.**

5

Tap "**NEW**" to clear all areas then tap "**OK.**" Then tap "**EDIT**" to customize the scoreboard for your match.
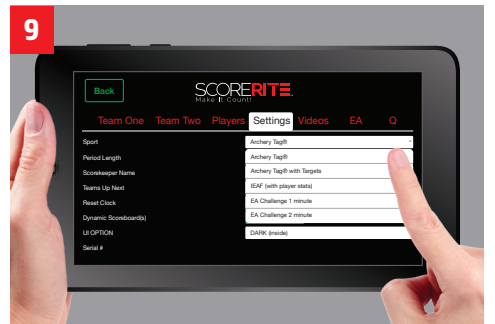

6

Tap "**Team One**" or "**Team Two**" tabs to type in team name and choose team color.
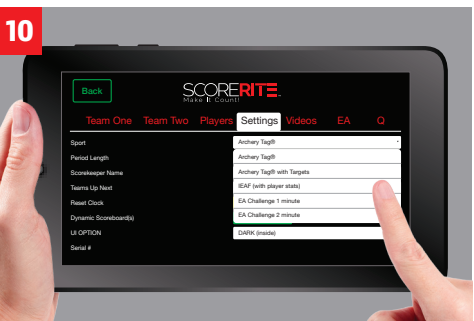

7

Tap "**Settings**" tab to select the Sport, Period Length, Scorekeeper, Dark/Light mode and more.

8

Tap the "**UI OPTION**" to select the DARK (inside) or LIGHT (outside) screen mode.

9

Tap the "**Sport**" drop down menu to select the desired sport. Choose **"Archery Tag®"** for standard play.

10

To assign points to individual players for IEAF® Leagues & Tournaments, select Sport "**IEAF® (with player stats)**."

11

Tap "**Period Length**" drop menu down and scroll through the time choices then tap the desired length.

12

Tap "**Scorekeeper Name**" field and type in the name of the Scorekeeper. This is helpful when using more than one Scorekeeper.
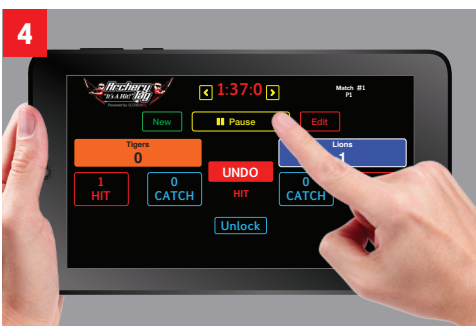

v1.6

1

Tap "**Start P1**" to begin the first period of the match. You will hear a whistle and the countdown clock will start.

2

Tap "**Hit**" or "**Catch**" on the team where the action occurred. The points will automatically be added to the appropriate team.

3

Tap "**Undo**" to correct last action shown below "Undo" button. Repeated taps will correct previous actions.
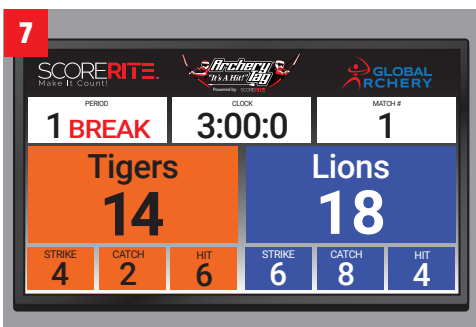

4

Tap "**Pause**" and the clock will stop and the whistle will sound 3 times. Tap "**Resume**" to continue.

5

To add or subtract time on the clock, tap the Left **<** Arrow to subtract 15 seconds or Right **>** Arrow to add 15 seconds.

6

When 30 seconds remain on the clock, a voice will announce "**30 SECONDS.**"

7

At the end of the Period the whistle will sound 3 times. "**Break**" will appear in the Period panel and the clock will begin a 3 min. countdown to let players rest & hydrate.

8

When the clock strikes 2 min., 30 sec. during the 3 min. break, the "**Team Flip**" occurs where the teams automatically switch sides for a 2nd Period and a bell will chime.

9

At the end of the 3 min. break the clock will stop. Press "**Start**" when ready to begin the next period. If starting a new match tap "**New**" and repeat Set-Up starting at step 6.

When running a League or Tournament in "**IEAF® (with Player Stats)**" mode, Penalties will show on the Scoreboad.
